"I went to Spain last week to get a cataract removed and I can tell you all how well I was looked after by Surgery Now, from the minute I contacted them till I was left back to the airport. I had been waiting nearly two years to be seen here and would have probably waited another two. So if anyone out there is waiting for any kind of surgery

I would fully recommend the guys at Surgery Now . I'd also like to give a special mention to Scott, David, Charlotte and all the team who looked after me so well."

Liam, Donegal.
